

'American Synagogues: A Photographic Journey'

by

Julian H. Preisler

eBook 2008

The following is an index of all 1410+ synagogues/congregations that were featured in my 2008 eBook with about 3200 images and historical information. The eBook is no longer available, but I have plans for a revised and updated edition that will have hundreds more synagogues featured. The list is incomplete at present and will be expanded shortly. If you would like more information on this project or have synagogue photos that you would like to have included in the future project, please contact me: jhp1963@yahoo.com
